

RSS Grad Walk 2023

IMPORTANT INFORMATION:

- Grads are welcome to start gathering at the Dolphins for photographs any time after 3:00p.m. on Friday May 26th. We ask all Grads to be at the Dolphins no later 4:00p.m. if you want an opportunity to take pictures.
- We will start moving Grads to line up for the Grad Walk between 4:15p.m.-4:30p.m. Friends and families should move into position along the Grad Walk Route (in red) at this time.
- Grads will lineup in pairs or trios beginning at the “START” on the map and extending along the paved walkway away from the route.
- We hope that the Walk will start between 4:30p.m. and 4:45p.m. to ensure that Grads have time to enjoy the Prom, which has been organized by our dedicated Grad Parent Committee.
- The route and direction are indicated on the map above (yellow arrows)— this is the same route taken in 2022. Although the Prom is a Grad-only event, there is no restriction on who a Grad may Walk with.
- Immediately after finishing the Walk, Grads who are attending Prom should proceed to the Dolphins to begin checking in for buses (purple arrows).
- Please proceed directly to the numbered sign for your BUS. If you need help finding your bus number please see Ms Harvie or Mr Werry.
- *After Prom, a series of buses will return Grads to RSS at intervals throughout the evening. A single bus will take any Grads needing to retrieve their cars from downtown at the end of the night.*
